**Saturday 24.05.2014:**

*Open Summer Collection Magazine*

13.00 - 15.00

*Presentations and Discussion:*

**MODE UNCUT - The Open Fashion Design Network** - Short talks from some of the international founding members describing the ethos, aims and practices of the network - including open patterns, generative designs, wearable technologies, digital textile design and more. Open and Participatory Fashion Design for creating new relationships and Alternative Economies - Alastair Fuad-Luke and Anja Lisa Hirscher, Aalto ARTS with examples such as Hybrid Wearables & Digital Textile Design

15.00 - 17.00

*Workshop*

MODE UNCUT is planning an **OPEN SUMMER COLLECTION and MAGAZINE**. In this open workshop participants will co-create, and develop ideas for the collection and magazine. We hope to include Mode Uncut international members via Skype, focusing discussions on reach, audience, content etc.

**Sunday 25.05.2014:**

*Making & Experimenting*

12.00 - 18.00

Taking the ideas generated on Saturday, we will further explore concepts and possibilities for the **OPEN SUMMER COLLECTION designing and making clothes together**. Sewing machines, second-hand materials and assistance with open source-patterns, half-way products, redesign projects etc. are offered by:

5-7 Designers and Teams including: Make{able}, KaeMa, Studio + Machine, and some more independent designers!

**Sign up NOW! It is FREE!**
